

January 7, 2012 Legislative Report – Prospector

The 2012 Legislative Session opened on Jan 4th. I was at the Legislative Office Bldg on the 3rd, making appointments and greeting old friends. I met one of the 7 new assembly members who said his staff would schedule an appointment. At this time, I have 8 appointments for Jan 10th, including 5 of the new assembly members. BAR, the president of the new Albany Chapter was with me for part of the day. Most of the offices were still closed on the 3rd, but there were enough early birds to make the day worth while. My internet service has been worse than usual lately, so my reports may not be as timely as I would like, but I will keep everyone abreast of my appointments as best I can.

Happy New Year to all!!!
Prospector

PS, As always, feel free to call me at 518-239-4560 for any further information
